

Letting Go

Jeremy Camp

Gripping arms so tight
The security i have inside
Knowing what is right
Holding onto my cry

Letting Go
Of the things i hold so dear
Letting Go
Of all my pain and all my fears
Letting Go
Of the Things i hold so dear
Letting Go
Of all my pain and all my fears

I have been brought to a place
Where i want to give up everything
Where all i can do is seek your face
The brokenness i will bring

Letting Go
Of the things i hold so dear
Letting Go
Of all my pain and all my fears
Letting Go
Of the Things i hold so dear
Letting Go
Of all my pain and all my fears

holding onto the things i deem so strong
Holding on even though i know ive held on
too long

Letting Go
Letting Go
Of the things i hold so dear
Letting Go
Of all my pain and all my fears
Letting Go
Of the Things i hold so dear
Letting Go
Of all my pain and all my fears
Of all my pain and all my fears
Letting Go.
