

Looking back

Jeremy Camp

Many times I take for granted
Just what youve done for me
The heart in which youve planted
Is precious for you to see

The cross in which youve hung
Is not a plcae for a king to be
Lord the wounds that stung you did it all for, you did it all f
or me

Youve always been so faithful
Even when I dont deserve
Lord help me to be more grateful
Of the love that you preserve

The cross in which youve hung
Is not a plcae for a king to be
Lord the wounds that stung you did it all for, you did it all f
or me

Help me to look into your gracious eyes
Take the selfishness away from me

O yeah yeah he died for me
O yeah yeah he died for me
O yeah yeah

Help me to look into your gracious eyes
Take the selfishness away from me

He died for me
