

# My Desire

Jeremy Camp

You want to be real  
You want to be empty inside  
You want to be someone laying down your pride  
You want to be someone someday  
Then lay it all down before the King  
You want to be whole  
You want to have purpose inside  
You want to have virtue and purify your mind  
You want to be set free today then lay it all down before the King

This is my desire  
This is my return  
This is my desire to be used by you

You want to be real  
You want to be emptied inside  
And I know my heart is to feel you near  
And I know my life  
It's to do your will  
It's to do your will

All my life I have seen where you've taken me  
Beyond all I have hoped and there's more left unseen  
There's not much I can do to repay all you've done so I give my  
hands to use
