

Restored

Jeremy Camp

All this time I've wandered around searching for the things I'll
I never know
I've been searching for this answer that only will be found in
your love
And I feel it
My heart is being mended by your touch
And I hear it
Your voice that's shown my purpose in this world

You have restored me from my feeble and broken soul
You have restored me

I've only come to realize my strength will be made perfect at y
our throne
Laying all reflections down to see the precious beauty that you
've shown
And I feel it
My heart is being mended by your touch
And I hear it
Your voice that's shown my purpose in this world.

Laying all these questions down you've answered what I need
You've given more than I deserve your making me complete
You give me all these open doors I'm humbled at your feet
To show me what you've done for me.

All this time I've wandered around searching for the things I'll
I never know.
