

Understand

Jeremy Camp

Every time I fall down on my face
I see the one who bore all my shame
Well to know that you are everything I need you to be
You're my ever present help in time of need

I know you understand it all
So why don't I get back on my feet again?
I know you understand it all
So why don't I get back on my feet again?
I know you understand it all

Every pain I feel inside my heart
It takes a faith I know I can't depart
Well to know that you hear every cry I raise to you
Bringing thoughts of hope the words I bring I know are few

I know you understand it all
So why don't I get back on my feet again?
I know you understand it all
So why don't I get back on my feet again?
I know you understand it all

Will you hear me when I call? Were you there when I fall?
Will you hear me when I call?
Will you hear me when I call? Were you there when I fall?
Will you hear me when I call?

Will you hear me when I call? Will you hear me when I call?
I am yours
Will you hear me when I call? Will you hear me when I call?
I am yours

So why don't I get back on my feet again?
I know you understand it all
So why don't I get back on my feet again?
I know you understand it all
So why don't I get back on my feet again?
I know you understand it all
