

On The Wayside

Jeremy Enigk

Never in wine
Eyelid empire
Perfect summer sign
For the rest of my life

All in the night
Passage of sky
Traced in by the sun
And then forever mine

Take this shame
Stay this one away

Nowhere to run
If ever believe
Every single sign
Beautiful tragedy

All in good night
Crimson empire
Lost in every motion
Created by design

Take this shame
Stay this one away
Seaside and down
By the wayside
