

# Return Of The Frog Queen

Jeremy Enigk

Turn 'round  
Hi, hey, I've heard rumors  
Turn 'round again  
Tongue tied alarm me  
I've shined a smile to

And every time you cry, I'll cry for you  
Then all these fields will turn into mud  
And every time you smile, I'll smile for you

In my dreams it goes this dubious day  
Waiting a year hereafter
