

# Cigarette

Jeremy Fisher

It keeps you up  
From the back of your mind  
To the tip of your tongue  
Reaching out lookin for mine

I'll be your cigarette  
Light me up and get on with it  
I'll be hard to forget  
Good or bad I'm just a habit  
Good or bad I'm just your habit

Sweet relief  
That's what you come and get from me  
I give up everytime  
You want it you got it I'm burnin down

And you try to put me down  
Everytime you come back around  
And you try to put me away  
Tell yourself you'll kick it someday

[Chorus]
