

Dance All Night

Greene, Jeremy

Aint' got a day of shame
May change change
... to your... change change
... he wanna fame
He used to... my problem...
Think this...
I still I follow no dreams...
Just my fault
Could be the...
Smell like leaving...'cause you might got willing
Dream girl

So I got to get you

We keep the club rocking day and night
Nah nah nah nah
Can't stop won't stop we gonna dance all night
All night, all night, all night
We gonna dance all night
Gotta tell the dj she should turn it up
Can't stop won't stop we gonna dance all night
All night, all night, all night
We gonna dance all night

I'm bout to turn you out
I'm about to get it girl
Till the swag on we going out tonight
So... your girls turn to get ready

We keep the club rocking day and night
Nah nah nah nah
Can't stop won't stop we gonna dance all night
All night, all night, all night
We gonna dance all night
Gotta tell the dj she should turn it up
Can't stop won't stop we gonna dance all night
All night, all night, all night
We gonna dance all night

I knwo yor body you're trippin well
So take it off off
The club is gonna rock tonight
Everybody is up thye gonna show your love
Got the dj keep it movin wanan turn it up up up up...

We keep the club rocking day and night
Nah nah nah nah
Can't stop won't stop we gonna dance all night
All night, all night, all night
We gonna dance all night
Gotta tell the dj she should turn it up
Can't stop won't stop we gonna dance all night
All night, all night, all night
We gonna dance all night

Oh oh canada, oh canada
I know... what's up my favorite on the stereo

... make cause
... place boss... I pray
Not a hand doubt
So random hear the anthem
When we're missing...

We keep the club rocking day and night
Nah nah nah nah
Can't stop won't stop we gonna dance all night
All night, all night, all night
We gonna dance all night
Gotta tell the dj she should turn it up
Can't stop won't stop we gonna dance all night
All night, all night, all night
We gonna dance all night
