

Oh!

Greene, Jeremy

J.R.

Girl you been driving me crazy
I know I'm screwed by the things that you do
You know you got me got me
I don't mean to misjudge you
But I can't trust all the things that you say...

You know there ain't no way
That I could let you go
Gotta let you know
And walk out the door
My baby my baby
It's just the things you do
That attitude
Puts me in the mood baby...

Oh oh oh oh oh
You know you got me got me
Oh oh oh oh oh
Baby girl you drive me crazy
Oh oh oh oh oh
The way you shake it is crazy
Maybe you're shady but baby you know you got me saying
Oh oh oh oh oh oh oh oh...

It's funny cause I know when I watch you
I can't deny you're so fly
Girl you know
You know you runnin' through my mind when you turn it then drop it
And back it and stop what you do
How you do...

You know there ain't no way
That I could let you go
Gotta let you know
And walk out the door
My baby my baby
It's just the things you do
That attitude
Puts me in the mood baby...

Oh oh oh oh oh
You know you got me got me
Oh oh oh oh oh
Baby girl you drive me crazy
Oh oh oh oh oh
The way you shake it is crazy
Maybe you're shady but baby you know you got me saying
Oh oh oh oh oh oh oh oh
Hold up wait a minute...

Baby
Oh oh oh oh oh
You know you got me got me
Oh oh oh oh oh
Baby girl you drive me crazy

Oh oh oh oh oh
The way you shake it is crazy
Maybe you're shady but baby you know you got me saying...

Oh oh oh oh oh
You know you got me got me
Oh oh oh oh oh
Baby girl you drive me crazy
Oh oh oh oh oh
The way you shake it is crazy
Maybe you're shady but baby you know you got me saying
Oh oh oh oh oh oh oh oh...
