

A Girl, a Boy, and a Graveyard

Jeremy Messersmith

Lucy takes the long way home
Meets me in a field of stone
She says: "I don't know how I'm s'pose to feel
My body's cold my guts are twisted steel"

And I feel like I'm some kind of Frankenstein
Waiting for a shock to bring me back to life
But I don't want to spend my time
Waiting for lightning to strike

So underneath the concrete sky
Lucy puts her hand in mine
She says: "Life's a game we're meant to lose
But stick by me and I will stick by you"

Cause I'm like a princess in a castle high
Waiting for a kiss to bring me back to life
But I don't want to spend my time
Waiting for just another guy
