

Tatooine

Jeremy Messersmith

Twin suns of Tatooine
Taught me everything I know
Twin suns of Tatooine
Taught me everything I know

There's room up there
For second chances
Singles are fine
But doubles are fantastic!

I like to think
There's a star for me
And you, spinning 'round
Falling for one another.

Twin suns of Tatooine
Taught me everything I know
Twin suns of Tatooine
Taught me everything I know

Solos are fine
But duets are romantic
A pair is grand
But a trio'd be disastrous

I like to think
There's a star for me
And you, spinning 'round
Falling for one another.
