

# Violet!

Jeremy Messersmith

Violet  
Streaks of earth matted in her hair  
Beaten down, but she won't scare  
Blinks her eyes, battered green and blue  
Ignorance can leave an awful bruise

So get up!  
Get up!  
Come on and get up, Violet!

Blade of grass in her aching fist  
Sets her jaw, no she won't quit  
She'll take the fight to streets and avenues  
A little dirt can make a flower bloom
