

Sweetheart

Jermaine Dupri

What's up, Jermaine? I miss you.

Mmm.

Do me a favor. Tell your friends you're not going out tonight.

I got a little bit of that Cristal, some of that Yak.

And, oh. Better yet, I got on what you like to see in the most.

Word!

So, we're fucking tonight.

Ha, ha, ha. For sure. Ha, ha.

Uh, ha

What you thinkin' about?

You and me baby goin' one-on-one (say what)

JD y'all (uh huh, So So Def)

MC y'all (what you think about)

I'm the man to fulfill your needs

Get you everything that you see in your dreams (c'mon)

Baby, let nothing and nobody tear us apart

If forever you'll be my sweetheart

Boy, haven't you noticed (say what)

The gleam in my eyes (uh, huh)

Because of you

I'm a little hypnotized (yeah)

But everytime you're with me (uh)

Feel so positive

That with you a little love

Somethings gotta give

A full moon is waiting in the twilight

Maybe soon you will come to be my knight

Here we are

Hoping that we'll never part

Stay with me

Baby, won't you be my sweetheart (my sweetheart)

We can share a storybook romance

What you think about

What you think about

You and me, baby, goin' one-on-one

Won't you be my sweetheart

We can share a storybook romance

Just deep in love

(2x)

You are no Casanova (ha, ha, ha)

I'll know that you'll be true

And that's why (uh)

I'm so in love with you (me, too)

But this romantic evening

You led me at my door (yeah, yeah)

But tonight, I'd like us to explore

A full moon is waiting in the twilight

Maybe soon you will come to be my knight

Here we are

Hoping that we'll never part

Stay with me

Baby, won't you be my sweetheart (my sweetheart)

See, I saw you at the party
With your eyes on me
Fittin' the description
Of what I want my bride to be (ha, ha)
As live as me
Don't know the same guys as me
But a lot of style
Unusual name like Ivory
I agree with my niggas
You the baddest
I ever seen in a long time (uh)
But woman with her own shine
Is her own time
And it's on hit
Cuz I'm tired of dealin'
With the wrong kind
Getting non' but the bullshit
She got a playa
Tryin' to think of new things to say (sup, baby)
She up in the corner
Sippin' Don P, Rosee` (yeah)
Shakin' it up with the homegirls
Payin' no attention to us
They in they own world
'Hey, yo, girl'
I'm the man to fulfill your needs
Get you everything you see in your dreams
Baby, let nothing and nobody tear us apart
If forever you'll be my sweetheart

Sounds so right (uh, huh)
The mood is right
Say what
MC, baby, sing it to me
To keep me warm
Away from harm
Nowhere better than my baby's arms
Sounds so right (uh, huh)
The mood is right
Say what
MC, baby, sing it to me To keep me warm
Away from harm
C'mon, baby, you can be my
Won't you be my
