

# Dynamite

Jermaine Jackson

I don't know too much but I know love the way I've been touched  
It's your love that heats me up  
And there's no such thing as too much

'Cause I don't know any better  
No, I don't know when it's time to stop, no

All night you give me what I like  
Intense, high explosive dynamite  
Pure dynamite

All night you supply the spark I like  
Intense, heavy dose of dynamite  
Pure dynamite

Wild things can't be tamed under my skin and it's just the same  
I'm wading, ignited  
And there's no way I'll ever fight it

'Cause I don't know any better  
No, no I don't know when it's time, time for me to stop, no, no

All night you give me what I like  
Intense, high explosive dynamite  
Pure dynamite

All night you supply the spark I like  
Intense, heavy dose of dynamite  
Pure dynamite

I don't want any other  
I don't want any time to stop, oh no

All night you give me what I like  
Intense, high explosive dynamite  
Pure dynamite

All night you supply the spark I like  
Intense, heavy dose of dynamite  
Pure dynamite

All night you give me what I like  
Intense, high explosive dynamite  
Pure dynamite

All night you supply the spark I like  
Intense, heavy dose of dynamite  
Pure dynamite

Girl you got me crazy  
I'm runnin' 'round for you  
Baby, I'm just crazy 'bout you  
Dynamite, pure dynamite

Girl you got me crazy  
I'm runnin' 'round for you  
Baby, I'm just crazy 'bout you

Dynamite, pure dynamite

Girl you got me crazy  
I'm runnin' 'round for you  
Baby, I'm just crazy 'bout you  
Dynamite, pure dynamite

Girl you got me crazy  
I'm runnin' 'round for you  
Baby, I'm just crazy 'bout you  
Dynamite, pure dynamite

Just call my name  
You know I lied to you  
All my last words  
I know you're the one

All night you give me what I like  
Intense, high explosive dynamite  
Pure dynamite

All night you supply the spark I like  
Intense, heavy dose of dynamite  
Pure dynamite

All night you give me what I like  
Intense, high explosive dynamite  
Pure dynamite

All night you supply the spark I like  
Intense, heavy dose of dynamite  
Pure dynamite
