

I Found That Girl

Jermaine Jackson

Mama, oh, mama, I found that girl
Mama, oh, mama, I found that girl

Mama, flying for me now
Is a new sensation
Just like you said it would be
With the right situation

Now love has a meaning
And I have a goal
This feeling inside me now
Makes a chance for me a hundred years old

Now I understand what it is to be a man
The way you explained it to me that day
You said only the right girl
Can make me feel this way

Well, mama, I think I found that girl
Yeah, yeah, mama, I think I found that girl

Mama, she's that beautiful dream
That I dream each night
She's that hurdle of
On those wings of their flight

She's those words left
When there's no more to say
She's my sunshine
At the end of a perfect day

All this let's me find a reason to be alive
That day, when you sat me upon your knee
You said only the right girl
Can be all these things

Mama, I think I found that girl
Yeah, mama, I think I found that girl

You said, "Son, go on and search around
There's a good girl, who's out there, to be found"

And mama, I think I found that girl
Yeah, yeah, mama, I think I found that girl
