If You Say My Eyes Are Beautiful

Jermaine Jackson

If you say my eyes are beautiful, It's because they're looking at you. And if you could only see yourself, You'd feel the same way too.

You could say that I am a dreamer Who's had a dream come true. If you say my eyes are beautiful, It's because they're looking at you.

If you're wondering why I'm smiling, It's because I'm happy with you. And the warm sensations touch my heart, And fill me through and through.

I could hold you close forever, And never let you go. If you say my eyes are beautiful, It's because I just love you so.

Now my heart is an open door; Won't you come inside for more? You can love so sweetly now; Take my love, take me completely now.

Oh... if you say my eyes are beautiful, It's because they're looking for you. And my eyes adjust the window For my feelings to come through.

And by far, you are more beautiful Than anything I ever knew If you say my eyes are beautiful, It's because (it's because) they're looking at you.
