

Let Me Tickle Your Fancy

Jermaine Jackson

Like the sun, I rise and shine
With last night on my mind
It's so hard to concentrate
Till our love we recreate

Let me tickle your fancy
Let me excite your soul
Let me tickle your fancy
Let me excite your soul

When I think 'bout us
I get all keyed up
And the tantalizing touch
That I love

Let me tickle your fancy
Let me excite your soul
Let me tickle your fancy
Let me excite your soul

Honey words cannot express
The sensation that I get
It's a quiverin' tremblin' feelin'
Makes me wiggle, it makes me shake

When I think about us
I get all keyed up
And the tantalizing touch
That I love

Come on let me tickle your fancy
Let me excite your soul
Come on let me tickle your fancy
Let me excite your soul

It's gettin' late and I can't wait
To relieve that love we made
I got an itchin' in my heart
You control that vital part

Let me, tantalizing tickle
Keyed up for touch' good God
Tantalizing tickle
Keyed up for touch

C'mon let me tickle your fancy
Let me excite your soul
Let me come tickle your fancy
Let me excite your soul

Sugar let me tickle your fancy
Let me excite your soul
Come on baby let me tickle your fancy
Let me excite your soul

Little baby sugar let me tickle your fancy
Let me excite your soul

Just a little bit sugar let me tickle your fancy
Let me excite your soul

Just a little bit sugar let me tickle your fancy
Let me excite your soul
