

# Take Good Care Of My Heart

Jermaine Jackson

Time can pass so slowly when you feel so all alone  
Love can strike like lightning when you find your heart  
at home

I've seen it in the movies, read about it in a book  
I never thought I'd feel it  
But your touch was all it took

Take good care of my heart  
Take good care of my heart  
Baby you're the first to take it  
I love you more than I should  
But it keeps me feelin' so good  
I've waited for your love forever  
You're the one that take good care of my heart

Come and make your magic, till you have me hypnotized  
If we get closer, I'll be drowning in your eyes  
You're the one I needed most when my love was on the line  
I'm so glad you gave me yours, when I gave you mine
