## When The Rain Begins To Fall

Jermaine Jackson

Like the sand can seep right through your fingers so can all your days As those days go by you'll have me there to help you find the way The way I feel with you I know it's got to last forever

And when the rain begins to fall you'll ride my rainbow in the sky And I will catch you if you fall you'll never have to ask me why And when the rain begins to fall I'll be the sunshine in your life You know that we can have it all and everything will be allright.

Time goes by so fast You've got to have a dream To just hold on All my dreams of love began With the reality of you You and I believe That all our dreams will last forever

And when the rain begins to fall you'll ride my rainbow in the sky And I will catch you if you fall you'll never have to ask me why And when the rain begins to fall I'll be the sunshine in your life You know that we can have it all and everything will be allright

Though the sun may hide We still can see The light that shines for you and me We'll be together all that we can be

And when the rain begins to fall you'll ride my rainbow in the sky And I will catch you if you fall you'll never have to ask me why And when the rain begins to fall I'll be the sunshine in your life You know that we can have it all and everything will be allright

And when the rain begins to fall you'll ride my rainbow in the sky And I will catch you if you fall you'll never have to ask me why And when the rain begins to fall I'll be the sunshine in your life You know that we can have it all and everything will be allright.
