

# You Like Me Don't You

Jermaine Jackson

I remember when we met  
Your eyes I can't forget  
They told me a lot about you  
From the look upon your face  
This feeling I could trace  
Girl ???? needed love  
That smile you gave from my hello  
Would light up my world all aglow  
I just kept my cool

When you put your hand in mine  
I knew that it was time  
To let you know how I feel  
When you kissed me by surprise  
I got butterflies  
swimming around in my soul out of control  
The kiss was so warm and so pure  
Let's me know what I feel is for sure  
One thing that's true  
I noticed you like me  
Don't you, Don't you

Girl you gave me many signs  
I knew it all the time  
When you first looked at me baby  
You like me don't you  
Girl you like me don't you  
Oh I know what I feel is real  
Girl I wasn't sure what to say to you  
If I'm wrong I'm going to say it anyways  
One thing that's true  
I noticed you like me  
Don't you

My mind didn't play tricks on me  
I'm sure as sure can be  
What I saw in your eyes was for real  
That smile you gave from my hello  
Would light up my world all aglow  
One thing that's true  
I noticed you like me  
Don't you

One thing that's true  
I noticed you like me

Don't you

I knew it all the time

One thing that's true  
I noticed you like me  
and I like you
