

Only God Can Love You More

Jerrod Niemann

The things you say
They hit me with a right sometimes
They hit me with a left sometimes
But I'm still standing
For us
You make me wanna dream sometimes
Make me wanna scream sometimes
I'd never give you up

So no! You are not alone
I am in this too,
This is us
This is me and you
So go, turn and walk out that door
Hope you find what you're lookin' for
Just know only God could love you more
Than I do

I know
We take it to the limit sometimes
Our friends get caught up in it sometimes
But can you tell me
Who goes
From good as it gets sometimes
To wish we never met sometimes
I'm not understanding

No you are not alone
I am in this too,
This is us
This is me and you
So go, turn and walk out that door
Hope you find what you're lookin' for
Just know only God could love you more
Than I do

The things you say
They hit me with a right sometimes
They hit me with a left sometimes
I'm still standing
We're still standing

So no! You are not alone
I am in this too,
This is us
This is me and you
So go, turn and walk out that door
Hope you find what you're lookin' for
Just know only God could love you more
Than I do
