Loser

Jerry Garcia

If I had a gun for every ace I have drawn I could arm a town the size of Abilene Don't you push me, baby, 'cause I'm holding low And you know I'm only in it for the gold

All that I am asking for is ten gold dollars And I could pay you back with one good hand You can look around about the wide world over And you'll never find another honest man

Last fair deal here in the country Last fair deal here in the town Put your gold money where your love is, baby Before you let my deal go down, go down

Don't you push me, baby, 'cause I'm holding low Well I know a little something you won't ever know Don't you touch hard liquor, just a cup of cold coffee Gonna get up in the morning and go

Everybody's breakin' and drinkin' that wine I can tell the Queen of Diamonds by the way she shines Come to daddy on an inside straight And I've got no chance of losin' this time And I've got no chance of losin' this time Well I got no chance of losin' this time

Last fair deal in the country Last fair deal in the town Put your gold money where your love is, baby Before you let my deal go down, go down

Everybody's breakin' and drinkin' that wine I can tell the Queen of Diamonds by the way she shines Come to daddy on an inside straight Well I've got no chance of losin' this time Well I've got no chance of losin' this time And I've got no chance of losin' this time
