

Peace In Our Life

Jerry Goldsmith

We gave our hearts
We gave it all
Flame in the fire
Burns forevermore

The sorrow in believing
Honor and truth
Gray spires climbing
Wrapped around our youth

Peace in our life
Remember the call
Oh, a cheer for my brothers
Think of them all
Home of the brave
We'll never fall
The strength of our nation
Belongs to us all.

Time is the healing
of souls laid to rest
Peace is the virtue
Never forget
Tomorrow's an angel
Watching us all
Telling the people
she wraps around our hearts
