

Hill Country Rain

Jerry Jeff Walker

Sometimes I just wake up hummin'
Feelin' like the world is right
Want to jump right up and run outside
And take in the morning light
And feel the music running through me
Makes me want to dance
Clap my hands and dance
Sometimes it just takes my lady
To smile and make my day complete
And when she's touching me
I feel free and easy to be me
Lucky to be alive
Feelin' alright
Take a walk outside
People they tell me now,
You're living too fast
Slow down now Jerry boy
Take it easy let some of life pass
But I don't know no other way
Got to live it day to day
But if I die before my time
When I leave I'm leaving nothing behind (2x)
Cause I got a feeling
Something that I can't explain
It's like dancing naked
In that high hill country rain
I ain't worried 'bout tomorrow
I'll get by best I can
Lovin' is my will to live
It makes me laugh
Want to sing and dance
Clap my hands, yeah!
