Sometimes I just wake up hummin' Feelin' like the world is right Want to jump right up and run outside And take in the morning light And feel the music running through me Makes me want to dance Clap my hands and dance Sometimes it just takes my lady To smile and make my day complete And when she's touching me I feel free and easy to be me Lucky to be alive Feelin' alright Take a walk outside People they tell me now, You're living too fast Slow down now Jerry boy Take it easy let some of life pass But I don't lnow no other way Got to live it day to day But if I die before my time When I leave I'm leaving nothing behind (2x) Cause I got a feeling Something that I can't explain It's like dancing naked In that high hill country rain I ain't worried 'bout tomorrow I'll get by best I can Lovin' is my will to live It makes me laugh Want to sing and dance Clap my hands, yeah!
