

I Feel Like Hank Williams Tonight

Jerry Jeff Walker

Well, I could live my whole life, without a phone call
The likes of which I got today.
It was only my wife, said "hello" then "goodbye".
And told me she's going away.

Well I didn't cry, It was all cut and dried.
I hung up before I realized.
Turned up my stereo, I walked to the window,
Stared at the storm clouds outside.

And I play classical music when it rains,
I play country when I am in pain.
But I won't play Beethoven, the mood's just not right -
Oh, I feel like Hank Williams tonight.

There's no explanation, not even a reason,
No talk of the good times we had.
Was it me, was it her, I don't know for sure,
And that's why I'm feeling so bad.

Hey, I play jazz when I am confused,
I play country whenever I lose.
Bird's saxophone, it just don't seem right
Now, I feel like Hank Williams tonight.

Lately I've been thinkin', I just might quit drinkin'.
Now I don't know all-in-all.
I just might stay home, get drunk all alone,
And punch a few holes in the wall.

But when I'm real high I play rock'n'roll,
I play country when I'm losing control.
I don't play Chuck Berry quite as much as I'd like,
Now, I feel like Hank Williams tonight.
