

I Spent All My Money Lovin' You

Jerry Jeff Walker

I spent all my money lovin' you
Just like a fool - I sure was a crazy fool
I spent all my time pleasin' you
But now I see - I just spent it all like a fool

You know how I bought you what I wanted
Everything you could need
I bought you diamonds for your fingers, babe
I laid freedom at your feet, you never needed nothin' but you see
We were doin' great till we just ran out of cake (took my plate
)

I spent all my money tryin' to please you
Then what'd you do? You just treated me like a fool

I spent all my money lovin' you
Lovin' you like a fool - like a fool
I was a fool for you
I spent all my time tryin' to please you
Like a fool - I spent it all on you
Yeah so I'm a fool baby - crazy fool, baby I'm a fool, baby

I was a fool for you, such a fool for you
