

# Movin' On

Jerry Jeff Walker

Looking at the clock,  
See it's time to go  
Time to get movin',  
Take the Gonzo show down the road  
I told Freddy to get ready  
Loosen up the kit  
After this song we're long gone  
That's that and this is it

I hope everybody here is really feeling fine  
Speakin' for myself and the band  
We've had a hell of a time  
We laughed and cried and we carried on  
Everybody sang a sing-along  
Had a good time, time we was movin' on

Guys like us are happy  
Every place we go  
We never stay long, no,  
That's the rule of the open road

We don't like it  
We don't take it  
We simply leave it there  
When we can't impress anymore  
We pick it up and leave you there

I hope everybody here is really feeling fine  
Speakin' for myself and the band  
We've had a hell of a time  
We laughed and cried and we carried on  
Everybody sang a sing-along  
Had a good time, time we was movin' on

Yeah, everybody here was great  
And we liked it fine  
But there's other people waiting for us down the line  
We don't want to overstay our welcome here you see  
When we come back next time  
Think how happy we'll be

Now the right one is turning  
The wheels are in the well  
Whether we're remembered, only time'll tell  
It's a crazy business, making people sing and dance  
But we don't even think about it  
We step up, we take a chance

I hope everybody here is really feeling fine  
Speakin' for myself and the band  
We've had a hell of a time  
We laughed and cried and we carried on  
Everybody sang a sing-along  
Had a good time, time we was movin' on

Movin' on  
Movin' on baby now

Movin' on yeah  
Movin' on come on  
Movin' on  
Movin' on  
Oooooh.....
