

Old Road

Jerry Jeff Walker

Old road she keeps callin' to me,
Old road she keeps callin' to me,
Travel on down,
Travel on down,
Travel on down and see.

13 and 3-0-1,
13 and 3-0-1,
250 West,
250 West,
250 West to 9.

Lonely, so cold and blue,
Lonely, so cold and blue,
Tired and hungry,
Tired and hungry,
Tired and hungry too.
