```
Old road she keeps callin' to me,
Old road she keeps callin' to me,
Travel on down,
Travel on down,
Travel on down and see.

13 and 3-0-1,
13 and 3-0-1,
250 West,
250 West,
250 West to 9.

Lonely, so cold and blue,
Lonely, so cold and blue,
Tired and hungery,
Tired and hungery,
Tired and hungery too.
