

# Rhythm Of The Rain

Jerry Jeff Walker

Listen to the rhythm of the falling rain  
Telling me what a fool I've been  
I wish that it would go and let me cry in vain  
Let me be alone again

The only girl I care about has gone away  
Looking for a brand new start  
Little does she know that when she left that day  
Along with her she took my heart

Rain, won't you tell her now it don't seem fair  
For her to take my heart away when she don't care  
I can't love another when my heart's somewhere far away

Listen to the rhythm of the falling rain  
Telling me what a fool I've been  
I wish that it would go and let me cry in vain  
Let me be alone again

Rain won't you tell her that I love her so  
Please ask the sun to set her heart aglow  
Rain in her heart and let the love we know start to grow

Listen to the rhythm of the falling rain  
Telling me what a fool I've been  
I wish that it would go and let me cry in vain  
And let me be alone again

Listen to the rhythm  
Listen to the rain  
Listen to the rhythm  
Listen to the rain
