Before the Next Teardrop Falls

Jerry Lee Lewis

If he brings you happiness Then I wish you both the best It's your happiness that matters most of all

But if he ever breaks your heart If the teardrops ever start I'll be there before the next teardrop falls

Though it hurts to let you go Darling I want you to know That I'll stand by you if ever you should call

And if I should ever hear That he made you shed a tear I'll be there before the next teardrop falls

I'll be there anytime You need me by your side To dry away every teardrop that you cried

If he ever leaves you blue Just remember I love you I'll be there before the next teardrop falls Yes, I'll be there before the next teardrop falls
