

Big Legged Woman

Jerry Lee Lewis

(2x)

Big legged woman,
keep your dresses down

You've got something baby
That'll make a bulldog want to hug a hound

She rolls her belly
Like she rolls her biscuit dough
She let me down so easy
Got to have a little more

Oh big legged mama
Ooooh, keep your dresses down
Don't stop me now mama
You've got somethin' baby
Make me want to lay you down

Well, let me tell ya somethin'
What I'm talking' about
I bet my bottom dollar
There ain't a cherry in this house

(2x)

Oh, big legged mama
Keep your dresses down

One of these days baby
You're gonna lose your nightgown

as sung by Booker T. Laury on
