

## Bonnie B.

Jerry Lee Lewis

Well, Bonnie, Bonnie B, she's like a real queen to me,  
She stands out among the other's she see  
She makes me happy, makes me feel so good,  
I would marry Bonnie B, if I could

We're too young, we got a long time to wait,  
But, Bonnie B, there's no need hesitate, 'bout lovin' me,  
So kiss me Bonnie, Bonnie B. Bonnie B, Bonnie, Bonnie, Bonnie B

But Bonnie, Bonnie B, she's the pride of our school,  
When she walks down the hallway, all the cats all drewl  
With her long blond hair, her cherry pink lips,  
A turned up nose that makes a cat wanna flip  
Flip over Bonnie, Bonnie B, Bonnie B, Bonnie, Bonnie, Bonnie B

I told Bonnie B, take a ride with me  
I told her I'd show her all she could see,  
She don't know, but it'll be too dark,  
On the lovers lane is where I plan to park

And I'm gonna ask her if I can kiss her then,  
And if I can, I'm gonna do it again, mooore tenderly  
When I kiss my Bonnie, Bonnie B, Bonnie B, Bonnie, Bonnie, Bonnie B  
ie B
