

Break My Mind

Jerry Lee Lewis

Baby, oh! Baby
Tell the man at the ticket stand
That you've changed your mind
Let me run on out and tell the cab
To keep his meter flyin'
Or did you say goodbye to me
Babe, you're gonna break my mind

Break my mind
Break my mind
Oh! I just can't stand
To hear them big jet engines whine
Break my mind
Break my mind, oh! Lord
If you leave you're gonna leave
A babblin' fool behind

Baby, I say, Baby
Let me take your suitcase
Off of them scales in time
Tell the man that you suddenly developed
A thing about flyin', flyin'
'Cause if you say goodbye to me, Baby
You know you're gonna break my mind

Break my mind
Break my mind
Oh! I just can't stand
To hear them big jet engines whine
Break my mind
Break my mind, oh! Lord
If you leave you're gonna leave
A babblin' fool behind

Break my mind
Break my mind
Oh! I just can't stand
To hear them big jet engines whine
Break my mind
Break my mind, oh! Lord
If you leave you're gonna leave
A babblin' fool behind
