

Chantilly Lace

Jerry Lee Lewis

Hello, you good lookin' thing, you
Yeah, huh, now this is the Killer speaking
Do I like what I sure do like it, baby

Chantilly Lace and a pretty face and a ponytail hangin' down
A wiggle in her walk and a giggle in her talk
They're gonna make that world go 'round

Ain't nothing in the world like a big eyed girl
To make me act so funny, spend my doggone money
I feel real loose like a long necked goose
Like a, wa baby, that's what I like

Huh? Will I what? Do I what? Will I what?
Can't never tell baby? Ha, ha, ha, ha,
I might But honey you know what I like

Chantilly Lace and a pretty face and a ponytail hangin' down
A wiggle in her walk along a giggle in her talk
They're gonna make the world go 'round

Ain't nothing in the world like a big eyed girl
To make me act so funny, spend my doggone money
I feel real loose like a long necked goose
Like a, wa baby, that's what I like

Huh, ha, ha, ha, huh? What's that?
Pick you up at eight? And don't be late?
You gotta be jokin', woman
I thought, you might pick me up at eight and don't be late
It don't make no difference baby, you know what Jerry Lee likes

Chantilly Lace and a pretty face and a ponytail hangin' down
A wiggle in her walk, a giggle in her talk
Oh, it's make the world go 'round

And nothing in the world like a big eyed girl
I act so funny, spend my doggone money
I'm feelin' real loose like a long necked goose
Like a, wa baby, that's what I like

Woo, ha, ha, ha, honey, you're tearin' me up on this telephone
I swear, I don't know what in the world
I'm gonna do with you
You yap and yap and yap and yap and yap
But when you break it all down you know what I like

Chantilly Lace and a pretty face and a ponytail hangin' down
A wiggle in her walk along a giggle in her talk
They're gonna make the, make the, make the world go 'round

Ain't nothing in the world like a big eyed girl
Makes me act so funny, spend my money
I feel real loose like a long necked goose
Like a, wa baby, that's what I like
