

Dream Baby (How Long Must I Dream)

Jerry Lee Lewis

Sweet dream baby
Sweet dream baby
Sweet dream baby
How long must I dream

Dream baby got me dreamin' sweet dreams
The whole day through
Dream baby got me dreamin' sweet dreams
Night time too
I love you and I'm dreamin' of you
That won't do
Dream baby make me stop my dreamin'
You can make my dreams come true

Sweet dream baby
Sweet dream baby
Sweet dream baby
How long must I dream

Dream baby got me dreamin' sweet dreams
The whole day through
Dream baby got me dreamin' sweet dreams

Night time too
I love you and I'm dreamin' of you
That won't do
Dream baby make me stop my dreamin'
You can make my dreams come true

Sweet dream baby
Sweet dream baby
Sweet dream baby
How long must I dream
