

# Games People Play

Jerry Lee Lewis

La da da da da da da la da da da da da dee  
Talkin' bout you and me and the games people play

All the games people play now every night and every day now  
Never meaning what they say now never saying what they mean  
And they while away the hours in their ivory towers  
Till they're covered up with flowers in the back of a black limousine  
La da da da da da...

Oh we make one another cry break a heart when we say goodbye  
Cross my heart and we hope to die that the other was to blame  
Either one will give in so we gaze at our eight by ten  
Thinkin' bout things that might have been oh it's a dirty rotten shame  
La da da da da da...

People walkin' up to ya singin' glory hallelujah  
And they're tryin' to sock it to ya in the name of the Lord  
They're gonna teach you how to meditate read your horoscope and cheat your faith  
And further more to hell with hate come on and get on board  
La da da da da da...

Look around and tell me what you see what's happening to you and me  
Got grant me the serenity to remember who I am  
Cause you're givin' up your sanity or your pride and your vanity  
Turn your back on humanity and you don't give a damn da da da  
La da da da da da...  
La da da da da da...
