

Hearts Were Made for Beating

Jerry Lee Lewis

God made man and then God made a woman
Well he never meant for them to turn out bad
Inside he placed a heart for beating and oh what a beating mine
's had
Scattered pieces of my heart lay all around me each one filled
with love it almost had
How much longer can heart let go on beating cause Lord what a b
eating mine's had
Well a heart born to lose can never win
But each beat of my heart gives me strength to try again
How much longer can heart let go on beating cause Lord what a b
eating mine's had

Well a heart born to lose...
Oh I say Lord what a beating mine's had
