

# I Love You Because

**Jerry Lee Lewis**

I love you because you understand, dear  
Every single thing I try to do  
You're always there to lend a helping hand, dear  
But most of all I love you 'cause you're you.

No matter what the world may say about me  
I know your love will always see me through  
I love you for the way you never doubt me  
But most of all I love you 'cause you're you.

I love you because my heart is lighter  
Every time you're walking by my side  
I love you because the future's brighter  
The door to happiness you've opened wide.

No matter what may be the style or season  
I know your heart will always be true  
I love you for a hundred thousand reasons  
But, most of all I love you 'cause you're you.
