

It'll Be Me

Jerry Lee Lewis

Well, if you hear somebody knocking on your door
If you see something crawling across the floor
Baby, it'll be me and I'll be looking for you

If you see a head a-peeping from a crawdad hole
If you see somebody climbing up a telephone pole
Baby, it'll be me and I'll be looking for you

I'm gonna look on the mountain and in the deep blue sea
Gonna search all the forests and look and look in every tree

Well, if you feel something heavy on your fishing hook
If you see a funny face in your comic book
Baby, it'll be me and I'll be looking for you

If you hear a thought calling out in the night
If you see somebody hanging from a lamp post bright
Baby, it'll be me and I'll be looking for you

Well if you see somebody looking in all the cars
If you see a rocket ship on its way to Mars
Baby, it'll be me and I'll be looking for you

Gonna look in the city where the lights are blue
Gonna search the countryside, and all the haystacks, too

We'll, if you see a new face on a totem pole
If you find a lump in your sugar bowl
Baby, it'll be me and I'll be looking for you
