

## Middle Age Crazy

Jerry Lee Lewis

Well today he traded his big '98 Oldsmobile  
He got a heck of a deal  
On a new Porsche car

He ain't wearing his usual grey business suit  
He's got jeans and high boots  
With an embroidered star

But today he's forty years old going on twenty  
Don't look for the grey in his hair  
'Cause he ain't got any

He's got a young thing beside him  
That just melts in his hand  
He's gone middle aged crazy  
Trying to prove he still can

He's gotta a woman that he's loved for a long long time at home  
Ah but the thrill is all gone  
When they cut down the lights

They've got a business that they spent a while coming by  
Been a long uphill climb  
But now the profits are high

And today he's forty years old going on twenty  
And he hears of sordid affairs  
And he ain't had any

And the young thing beside him  
He thinks she understands  
That he's middle aged crazy  
Trying to prove he still can

Oh, he still can

Thank god I still can
