

# She Even Woke Me Up To Say Goodbye

Jerry Lee Lewis

Mornings come and Lord my mind is achin'  
Yes it is  
Sunshine standing quietly at my door  
Just like the dawn my heart is silently breaking  
With my tears it goes tumbling to the floor

Once again  
The whole town will be talking  
Yes they will  
And Lord I 've seen the pity that's in their eyes  
They could never understand Its her sorrow its not a man  
No matter what they say we know she tried

Babys packed her soft things and she's left me  
She's left me  
She's left me  
And I know she didn't mean to make me cry  
It's not her heart Lord its her mind  
She didn't mean to be unkind Why she even woke me up to say goodbye

It's not her heart Lord its her mind  
She didn't mean to be unkind why  
She even woke me up to say goodbye  
Goodbye Baby
