

She Even Woke Me Up To Say Goodbye

Jerry Lee Lewis

Mornings come and Lord my mind is achin'
Yes it is
Sunshine standing quietly at my door
Just like the dawn my heart is silently breaking
With my tears it goes tumbling to the floor

Once again
The whole town will be talking
Yes they will
And Lord I 've seen the pity that's in their eyes
They could never understand Its her sorrow its not a man
No matter what they say we know she tried

Babys packed her soft things and she's left me
She's left me
She's left me
And I know she didn't mean to make me cry
It's not her heart Lord its her mind
She didn't mean to be unkind Why she even woke me up to say goo
dbye

It's not her heart Lord its her mind
She didn't mean to be unkind why
She even woke me up to say goodbye
Goodbye Baby
