

That Kind Of Fool

Jerry Lee Lewis

Look at that fool, going home, to his wife,
Look at that fool, he never lies out all night

He doesn't know what it's like to be untrue,
Wish I could have been that kind of fool

Look at that fool, have one drink now he headin' home,
Look at that fool, leavin' that beautiful lady all alone

Then go home to someone, who loves him true,
Wish ol' Jerry Lee could have been that kind of fool

But I try, I can't do it darling,
Not even for you,

Woman it's not, that Jerry Lee don't love you,
But there's just some things I can't do

Look at that fool, going home to his wife,
Look at that fool, he never stays out drunk all night

He doesn't know what it's like to be untrue,
Wish I could have been that kind of fool

But I try, I can't do it darling,
Not even for you,

Woman it's not, that Jerry Lee don't love you,
But there's just some things I can't do

Look at that fool, have one drink now he headin' home,
Look at that fool, he is leavin' that woman all alone

Then go home to someone, who loves him true,
Wish I could have been that kind of fool
Whooh I wish Jerry Lee could have been that kind of fool
