

# TIME CHANGES EVERYTHING

Jerry Lee Lewis

There was a time when I thought of no other, and we sang our own love's refrain  
Our hearts beat as one as we had our fun, but time changes everything  
When you left me, my poor heart was broken, and our romance seemed all in vain  
The dark clouds are gone; there's whole lotta shakin' goin' on  
'Cause time changes everything

Time has passed, then I have forgot you, yes, I have  
Mother nature does wonderful things  
But I guess that it's true for me and for you 'cause time changes everything  
Oh, you change the name of an old song, rearrange it, and now make it swing  
I thought nothing could stop ol' Jerry Lee from loving you, but time changes everything  
So good luck to you, may God bless you; I can't say we won't love again  
You have gone your way, and ol' Jerry's gonna his 'cause time has changed everything  
I said, time has changed everything
