

## To Make Love Sweeter For You

Jerry Lee Lewis

Well, I'd like to send an orchid at the start of every day  
For flowers show more beauty than words could ever say  
You've done so much for my world till all I want to do  
Is try my best in every way to make love sweeter for you  
A thousand special compliments I'd pay to you each day  
Your ears would never tire of all the sweet things I would say  
You never would be lonely, honey, you never would be blue  
'Cause my one aim in life would be to make love sweeter for you  
You given me the faith that took to make my dreams come true  
That's why I want to live and breathe my every breath for you  
You've cleared the windows of my life and now that I see throug  
h  
I'll do my best in every way to make love sweeter for you  
I'll do my best in every way to make love sweeter for you
