Yey, you're sure lookin good baby

I wanna tell you a story
'Bout a man I other know
If you wan't a little lovin'
You gotta start real slow
She're gonna love you tonight now
If you just treat her right now

Oh, squeeze her real gentle
You're gotta make her feel good
Tell her that you love her
Like a know you should
'Couse if you don't treat her right
She won't love ya tonight

Now if you practice my metod
Just as hars as you can
You're gotta get at repitition

And you're gonna be so glad at the night that you
