

Turn On Your Love Light

Jerry Lee Lewis

Without a warnin' you broke my heart
You took it darlin' and you tore it apart
You left me standin' in the dark cryin'
You said your love for me was dyin'

I'm begging you baby, baby please
I'm begging you baby, baby please
Turn on your lights, let it shine on me
Turn on your love light, let it shine on me
Let it shine, shine, let it shine

I get a little lonely in the middle of the night
And I need you darlin' to make things alright
Come on baby, come on please
Come on baby, baby please

Turn on your lights let it shine on me
Turn on your love light let it shine on me
A little bit higher, little bit higher
Just a little bit higher, a little bit higher

Come on baby, baby please
Turn on your light and let it shine on Jerry Lee
Turn it on baby, I'm feeling alright
Turn it on mama that I'm feeling alright

I'm feeling alright, I'm feeling alright
I'm feeling alright, I'm feeling alright
And I'm glad, I've got you back baby
Oh I'm feeling alright in the middle of the night

Twelve o'clock baby, one o'clock baby
Two o'clock baby, three o'clock baby
Four o'clock baby
Said I'm feeling alright
